PHYSICAL RATING

LEVEL 1

All our tours feature a physical rating to help you select the right holiday for you. Every one of our tours require the ability to walk around sights unaided, whilst more active tours involve longer walks, cycling and other physical activities. Tours at altitude will have a higher physical rating. For more information on why each tour has been rated the way it has, have a look at the 'Detailed Tour Dossier' available to download on the tour page of our website.

LEVEL 2

Involves a little more time on your feet than a Level 1 tour and may involve more steps and/or walking.

LEVEL 3

A good level of fitness is required as you need to be comfortable walking for 2-3 hours and covering longer distances. Other activities such as cycling will be at a gentle pace and will involve straightforward terrain.

LEVEL 4

Similar physical activities to Level 3 but they may be longer in duration or on slightly more challenging terrain.

LEVEL 5

You'll need to be fit and adventurous to participate in these tours as on some days you will be active for most of the day. The terrain may be more challenging and the activities more physically demanding.

Virgin Atlantic Premium (A350)

BUSINESS CLASS

- Fast track through airport security
- Varying greatly between airlines, Business Class seats range from recliner seats to flatbed seats to 'suites'
- Large personal screens and extra viewing options

- Increased cabin crew to passenger ratio
- Extra baggage allowance
- Luxury amenity kit

Etihad First Class

FIRST CLASS

Long-haul First Class is the ultimate travel luxury, with optimum levels of comfort and service on whichever airline you choose. You can expect:

- Dedicated check-in and fast track through airport security
- Access to exclusive First Class lounges
- A flatbed seat or 'suite' with extra space and privacy compared to Business Class
- Exclusive cabin and more specialised service
- Premium dining and wine service
- Luxury amenity kit including pyjamas

Note: Aircraft on board facilities differ between aircraft type and can be changed at short notice by the airline. When upgrading your seat, the advertised on board facilities are only guaranteed on the long-haul flight. On domestic or short-haul flights the configuration and facilities will differ to those on your long-haul flights.

Preferred Airline Partners

BRITISH AIRWAYS

Wendy Wu Tours is delighted to be a British Airways preferred partner, which means we can offer you its most competitive fares. You can fly direct from London Heathrow to Cairo, Amman, Tel Aviv and Muscat, with a wide range of connecting regional flights from all over the UK. We recommend the extra space and comfort of BA's premium economy cabin, World Traveller Plus.

EMIRATES

With Emirates you can fly to Cairo, Amman and Muscat, connecting from a range of UK airports including Birmingham, Glasgow, Manchester, Newcastle and Edinburgh, as well as Heathrow, Gatwick and Stansted. Exceptional in-flight service, a more generous seat pitch and the chance to stopover in Dubai all make Emirates a popular choice for our customers.

Other airline partners to Central Asia and the Middle East are Oman Air, Turkish Airlines and KLM.

Your questions answered

A selection of our most frequently asked questions.

BEFORE YOU TRAVEL

Q. How soon after making our booking will we receive confirmation?

A. Once we have received your deposit payment, we will send you a confirmation invoice within 24 hours.

Q. Do you send us information about the destinations we will visit?

A. It is essential that you read the relevant tour dossier before booking, which you can find on wendywutours.co.uk, or we can arrange for one to be sent to you. If there are any particular challenges, such as the length of time spent on your feet, journey times or accommodation standards, they will be explained in these concise trip notes. Two weeks before you travel, you will receive a detailed day-by-day itinerary, a travel guide as well as a phrasebook with your final documents.

Q. Will I know which hotels I will be staying in before I go?

A. Hotel details will be sent with your final documents around two weeks prior to departure. Note that these may be subject to change. Hotels generally range from 3-4 stars. In more remote areas, accommodation may be of a lower standard and may not have all western amenities. Rest assured that all hotels used by Wendy Wu Tours are regularly inspected by our staff and our partners to ensure that standards meet your needs. If you require an early check-in or late check-out for your arrival and departure days, please contact us.

Q. How do I get my visa?

A. We have a detailed visa section located on our website with comprehensive instructions on how to obtain a visa for the country you are visiting, this information can be found here <https://www.wendywutours.co.uk/help-and-advice/passports-and-visas/>

Q. Do I need travel insurance?

A. Your protection and safety are our main priority. That's why having adequate travel insurance is a condition of booking with us for all the destinations you plan to travel to. Your travel insurance policy must include comprehensive cover for COVID-19.

Q. What vaccinations do I need?

A. Vaccination requirements often change, therefore for up to date information please refer to www.fitfortravel.nhs.uk and always seek your doctor's advice. You may also need to comply with local requirements to undertake COVID-19 tests.

Q. How fit do I need to be?

A. Our group tours are graded on each page with a Physical Rating to reflect the level of fitness required. The specific reasons for a particular grading for each tour are clearly described in the Tour Dossiers which you can find on our website. Please contact us if you require any advice. Our range of Private tours is more flexible and may better cater for individual needs. Ask us for more details.

Q. What size are your tour groups?

A. The group size on our Central Asia & Middle East Classic tours and Go Beyond tours is usually between 10 and 18 passengers. Where available, on our group tours we operate a seat-and-a-half policy, allowing you to travel in comfort.

Q. Do you run guaranteed departures?

A. Group tours are guaranteed to run subject to a minimum of 10 passengers. A National Escort will accompany each group of 10 or more. We will endeavour to run groups of a smaller size if viable to do so.

Q. As a single traveller, will I have to pay a single supplement?

A. On our tours we offer a 'Happy to Share' option, where you don't have to pay a single supplement if you are willing to share with another tour member of the same gender. You will be introduced to your share partner on arrival at the start of the tour. Happy to Share is on request when booking less than 75 days before departure. Alternatively a private room of your own is available on any of our tours at an extra cost. Please check the tour pages or our website for details.

Q. What is the maximum luggage allowance on your tours?

A. Your main suitcase or backpack must not exceed 20kg and your hand luggage must not exceed 5kg as this is the maximum allowance on internal flights and trains.

Q. What currency should I take?

A. We recommend you take the local currency and a credit/debit card. If travelling to more than one country it may also be advisable to bring some US dollars to exchange locally. We do not recommend travellers cheques. Please ensure you have sufficient funds to pay for personal expenses such as drinks, snacks, souvenirs and optional extras.

Q. When is the best time to travel?

A. Our group tour dates are based on the best time to travel in each destination, however as Central Asia and the Middle East are such large and varied regions there will be drastic differences between and even within countries, sometimes on the same tour. See individual tour pages and tour dossiers in this brochure for further information about the seasons and climate in each destination.

Q. Do you allow children on your tours?

A. We allow children 12 years and over on most of our group tours. Alternatively, private tours offer greater flexibility whilst on tour and are suitable for any age group. Any of our tours can be enjoyed as a private tour.

Q. What is the average age on your group tours?

A. The average age range is 40-65. Younger and older passengers travel with us too.

WHILE ON TOUR

Q. What sort of vehicles do you use?

A. We use a variety of transportation to operate your itinerary at the best pace and to give you an authentic travel experience so you are not always 'removed' from the locals.

Domestic Flights Planes are very similar to what you would travel on at home with allocated seats. Depending on flight duration meals may/may not be provided. Group members may not necessarily be seated together. The flight schedule of domestic airlines changes frequently, hence all domestic flights that appear in your itinerary are subject to change. Please ensure that all valuables and any medications you may need for the rest of the day are carried in your hand luggage. The luggage limit is 20kg per passenger, and bags must be locked. Airlines currently do not allow liquids (alcohol, spirits, wine, water, perfume etc) or sharp objects to be carried onboard the aircraft in hand luggage and these will be confiscated.

Coaches Our coaches are comfortable, air-conditioned vehicles. It is recommended that where seatbelts are available customers must use them and remain seated at all times whilst the vehicle is moving. Wendy Wu Tours cannot guarantee that vehicles will be fitted with operable seatbelts. There will also be some instances where smaller vehicles such as jeeps are used to access certain areas. If this is the case this will be stated in your itinerary.

Trains Trains are used in some of the itineraries, travelling through areas with stunning scenery. The compartments are comfortable, offering 2 folded beds and a small basin. Toilets are shared at the end of the carriage. Dinner and breakfast is included.

Boats In Egypt you will cruise the Nile on a 5* vessel, where the cabins have a private bathroom, air conditioner and river views while the communal area offers a swimming pool, outdoor bar, lounge, gift shop, restaurant and sauna & gym. You will enjoy various forms of entertainment in the evenings such as belly dancing and oriental show.

Q. Is there a dress code on your tours?

A. Our dress code is very relaxed; however, please note that clothing covering the arms and legs is more appropriate when visiting religious buildings and smart casual clothes are recommended for evenings.

Q. Are meals included?

A. All meals (excluding beverages) are included in our group tours except where stated. Please note that in remote areas, meals may be simple and choices limited. Meals included in Private tours are stated in the itinerary and include several free evenings, offering flexibility for those who wish to explore local restaurants. If you book a fully inclusive Classic Tour your first meal will be dinner on the day of arrival and will end with breakfast on the normal day of departure. Any additional meals will be at your own expense and no refund will be made for any meals missed. You will sample a range of local cuisine with occasional western meals, and meals are usually taken at local restaurants.

Q. Are there shopping opportunities on your tours?

A. There will be an array of shopping opportunities for those who love to seek out a bargain. We encourage all passengers to enjoy their local shopping expeditions but to take care and be wise when purchasing.

Q. Can special requests be arranged?

A. If you have any special requests such as dietary requirements, or if you wish to celebrate an event, please notify us at the time of booking and we will do everything possible to ensure your requests are met. Please note that special requests cannot be guaranteed.

Q. What hours of the day do your tours operate?

A. They generally start about 8am and end shortly after your evening meal. Occasionally earlier starts are required to meet flight departures or to visit sights at the best time of day.

Q. How do standards abroad compare with UK?

A. We will do our best to ensure that your holiday is safe and trouble free and we are continually working with our local partners to maintain and improve health and safety standards. Travelling abroad involves new places and new experiences and sometimes this means different safety and hygiene standards to those we are used to in the UK. We therefore ask that you take care; pay attention at all times and use your common sense. You are also requested to refer to notices and follow advice from your National Escort or local guide.

Q. How does the tipping system work on your tours?

A. Tipping is expected in Central Asia & Middle East. However this can often lead to awkwardness in knowing when it is appropriate to tip and how much, as well as ensuring you have a suitable amount of change available at the time. For your convenience, and based on many years of experience, Wendy Wu Tours operates a kitty system on our group tours so your National Escort will look after this aspect of your trip for you. It also ensures that the amounts paid are reasonable for you but still fair for the local people. The amount is stated on each group tour page (and will be advised again in your final documents).

Any additional tipping on any of our tours is welcomed at your discretion. Please feel free to tip restaurant staff, porters, or local guides if they performed a special service for you. For tours with fewer than 10 passengers, tipping will be slightly higher than stated on the group tour pages.

Health & Safety

Your health, safety and well-being on holiday are of paramount importance to us. Wendy Wu Tours is a fully insured and bonded tour operator with comprehensive public liability cover. Working closely with an independent health and safety organisation, the Wendy Wu Tours team carries out health and safety checks on accommodation, transport and excursions; and works with our destination partners and suppliers towards improving health and safety standards throughout the regions in which we operate. All travellers should be aware that safety standards vary across the different regions we visit and may not match the standards we enjoy in the UK. In the unlikely event of a problem or emergency on tour, Wendy Wu Tours has a Crisis Management process in place to support all of our customers. We also have a dedicated 24 hour emergency support number.

COVID-19 Precautions

We have established a set of firm but practical safety requirements for our overseas partners to follow in 2021 and for as long as COVID-19 is a threat. These are designed to help protect you as well as our local teams of drivers, guides, National Escorts and others. Guided by the UNWTO (United Nations World Tourism Organisation) and WTTC (World Travel & Tourism Council) as well as local government regulations, our safety protocols cover all aspects of touring, be it travelling, sightseeing, mealtimes or your hotel stays. Measures include personal protection, extensive disinfecting and social distancing. Please see our website for full details, as these are likely to change and evolve over time. Needless to say, for your own protection you will be expected to follow the rules and regulations laid down by the health authorities in your host destination. Rest assured that we will do everything possible to keep you safe on your holiday, while also helping you enjoy every moment along the way!

Please read them carefully as they set out our respective rights and obligations. By asking us to confirm your booking, you confirm that you have had the opportunity to read and have read these booking conditions, the brochure and tour dossier and agree to be bound by them.

These booking conditions only apply to holiday arrangements which you book with us in the UK and which we agree to make, provide or perform (as applicable) as part of our contract with you. All references in these booking conditions to "holiday", "booking", "contract", "package", "tour" or "arrangements" mean such holiday arrangements unless otherwise stated. For tailor-made holidays, please refer to our Wendy Wu Tailor Made brochure and terms and conditions, or visit our website. In these booking conditions, "you" and "your" means all persons named on the booking (including anyone who is added or substituted at a later date) or any of them as the context requires. "We", "us" and "our" means Wendy Wu Tours Limited.

1. Your Holiday Contract

The first named person on the booking ("lead name") must be authorised to make a booking on the basis of these booking conditions by all persons named on the booking and by their parent or guardian for all party members who are under 18 when the booking is made. By making a booking the lead name confirms that he/she is so authorised. The lead name is responsible for making all payments due to us and to indemnify us for the liability of all party members. The lead name must be at least 18 when the booking is made. After we receive your booking request and all appropriate payments (see clause 4 "Payment" below), if the arrangements you wish to book are available, we will issue a confirmation invoice. A binding agreement will come into existence between us when we email your confirmation invoice to the "lead name" or your Travel Agent. Your invoice will be sent to your travel agent or the lead name on the booking if you have booked direct with us. Please check this invoice carefully as soon as you receive it. Contact us immediately if any information which appears on the confirmation or any other document appears to be incorrect or incomplete as it may not be possible to make changes later. We regret we cannot accept any liability if we are not notified of any inaccuracies (for which we are responsible) in any document within ten days of our sending it out (five days for tickets). We will do our best to rectify any mistake notified to us outside these time limits but you must meet any costs involved in doing so. If you wish to change or cancel any arrangements later you may have to pay an amendment or cancellation charge (See clause 8).

We both agree that English Law (and no other) will apply to your contract and to any dispute, claim or other matter of any description which arises between us ("claim") (except as set out below). We both also agree that any claim (and whether or not involving any personal injury) must be dealt with under the ABTA arbitration scheme (if the scheme is available for the claim in question and you wish to use it – see clause 13) or by the Courts of England and Wales only unless, in the case of Court proceedings, you live in Scotland or Northern Ireland. In this case, proceedings can either be brought in the Courts of your home country or those of England and Wales. If proceedings are brought in Scotland or Northern Ireland, you may choose to have your contract and claim governed by the law of Scotland/Northern Ireland as applicable (but if you do not so choose, English law will apply).

2. Your financial protection

We provide full financial protection for our package holidays. For flight-based holidays this is through our Air Travel Organiser's Licence (ATOL number 6639) issued by the Civil Aviation Authority, Gatwick Airport South, West Sussex, RH6 0YR, UK, telephone 0333 103 6350, email claims@caa.co.uk. When you buy an ATOL protected flight or flight inclusive package* from us, you will receive an ATOL Certificate. This lists what is financially protected, where you can get information on what this means for you, and who to contact if things go wrong. We, or the suppliers identified on your ATOL Certificate, will provide you with the services listed on the ATOL Certificate (or a suitable alternative). In some cases, where neither we nor the supplier are able to do so for reasons of insolvency, an alternative ATOL holder may provide you with services you have bought or a suitable alternative (at no extra cost to you). You agree to accept that in those circumstances the alternative ATOL holder will perform those obligations and you agree to pay any money outstanding to be paid by you under your contract to that alternative ATOL holder. However, you also agree that in some cases it will not be possible to appoint an alternative ATOL holder, in which case you will be entitled to make a claim under the ATOL scheme (or your credit card issuer where applicable).

If we, or the suppliers identified on your ATOL certificate, are unable to provide the services listed (or a suitable alternative, through an

alternative ATOL holder or otherwise) for reasons of insolvency, the Trustees of the Air Travel Trust may make a payment to (or confer a benefit on) you under the ATOL scheme. You agree that in return for such a payment or benefit you assign absolutely to those Trustees any claims which you have or may have arising out of or relating to the non-provision of the services, including any claim against us, the travel agent (or your credit card issuer where applicable). You also agree that any such claims may be re-assigned to another body, if that other body has paid sums you have claimed under the ATOL scheme.

*The flights and flight-inclusive packages we arrange are ATOL protected providing they are made available in the UK. For further information visit the ATOL website at www.atol.org.uk.

We are a member of ABTA (ABTA number W7994). If your package holiday does not include a flight, protection is provided by way of a bond held by ABTA The Travel Association 30 Park Street London SE1 9EQ www.abta.co.uk.

The combination of travel services offered to you is a package within the meaning of the Package Travel and Linked Travel Arrangements Regulations 2018. Therefore, you will benefit from all EU rights applying to packages. We will be fully responsible for the proper performance of the package as a whole. Additionally, as required by law, we have protection in place to refund your payments and, where transport is included in the package, to ensure your repatriation in the event that we become insolvent. More information on key rights can be found by visiting <https://www.legislation.gov.uk/ukdsi/2018/9780111168479/contents>.

3. Your Holiday Price

Please note, changes and errors occasionally occur. You must check the price of your chosen holiday at the time of booking. The cost of your travel arrangements was calculated using known costs and exchange rates of £1 to 1.25USD in July 2020. We reserve the right to increase and correct errors in advertised prices at any time before your holiday is confirmed. We will advise you of any error which we are aware of and inform the new applicable price at the time of booking. Once the price of your chosen holiday has been confirmed at the time of booking, it will not be subject to change.

4. Payment

In order to confirm your chosen holiday, a non-refundable deposit of at least £350.00 per person (or full payment if booking within 75 days of departure) must be paid at the time of booking. In some cases the amount of deposit may be higher: where, for example, we need to pre-purchase flights tickets, accommodation or other services and in the case of our flight upgrade special offers, to which early airline ticketing may apply – please see the terms and conditions of individual special offers for further information. The balance of the holiday cost must be received by us not less than 75 days prior to departure. This date will be shown on the confirmation invoice. Reminders are not sent. Our preferred method of deposit payment is by bank debit card or credit card. Balance payment may be made by bank debit card, credit card or cheque (providing there is time to clear it to meet the payment schedule shown above - you should allow 5 working days for clearance from the time we receive it). If we do not receive all payments due in full and on time, we are entitled to assume that you wish to cancel your booking. In this case, we will be entitled to keep all deposits paid or due at that date. Except for flight inclusive bookings, all monies you pay to one of our authorised travel agents for your holiday with us will be held by the agent on your behalf until a contract between us comes into existence. After that point, your agent will hold the monies on our behalf until they are paid to us. For flight inclusive bookings, all monies paid to any authorised travel agent of ours for your holiday with us will be held on behalf of and for the benefit of the Trustees of the Air Travel Trust subject to the travel agent's obligation to pay such monies to us in accordance with our trading terms unless we fail. In the unlikely event of our financial failure, all monies then held by the travel agent or subsequently paid by you to the travel agent will be held by the agent on behalf of and for the benefit of the Trustees of the Air Travel Trust without any obligation on the agent to pay such monies to us. Please note that on very rare occasions, errors may occur when inputting prices onto our website and systems. We regret that any contract entered into on the basis of a pricing error will be invalid. In the unlikely event that this situation arises, you will be given the option to pay the correct price or cancel with a full refund.

5. Travel documents and visas

A Passport with a minimum of six months validity from the intended date of travel, and contains a minimum of two blank pages, is required for travel for the majority of countries in our programme. As visa requirements are constantly changing, you must regularly check the Foreign & Commonwealth Office (FCO) website for the most up to date entry requirements. Visa fees, where required, are included for UK British Citizen passport holders and will be specified whether included on your confirmation invoice. If you hold any other British passport (British Subject, British National Overseas) or you are a non-UK passport holder or you reside outside of the UK, you will be required to obtain your own visas at your own expense. It is your responsibility to ensure the visa issued to you is correct. Whilst we include the cost of the standard visa application service in your tour price (for UK British Citizen passport holders), we will pass on any additional charges incurred for non-standard visa processing, or where visa charges are increased following publication of the brochure. Should your visa application be refused for any reason and you wish to cancel your booking the cancellation charges under clause 8 will apply. An express visa process is available for an additional cost depending on the country of visit. We make no promises that your Visa application will be successful and we cannot accept bookings conditional on the issuing of a visa, or payment of the balance of the holiday cost (see clause 4) to be deferred until visas have been issued. Responsibility for documentation accuracy, passport validity and dispatch of documents rests with you. Wendy Wu Tours accepts no responsibility in this regard. We accept no responsibility for passports lost in the post. It is the responsibility of each passenger to ensure that you carry all necessary passport, visa and other travel documentation as required by the country you are visiting, and that all documents are in date and valid. We do not accept responsibility if you cannot travel because you have not complied with any passport, visa or immigration requirements for any part of your holiday. Failure to have any necessary travel or other documents results in fines, surcharges or other financial penalty being imposed on us, you will be responsible for reimbursing us in full. For the most up to date information on visa requirements for all destinations that we feature, please visit our website <https://www.wendywutours.co.uk/help-and-advice/passports-and-visas/>.

6. Travel Insurance, Health and Safety

It is a condition of booking with us that you take out suitable travel insurance covering at least circumstances leading to the cancellation of your booking and providing sufficient medical cover for illness or injury and repatriation while overseas, including COVID-19 cover. You must provide us with the name of your insurers and their 24 hour emergency contact number when you book or as soon as possible thereafter. Wendy Wu Tours will not be liable for any costs incurred by you due to your failure to take out suitable travel insurance from the date of booking. You will indemnify Wendy Wu Tours in respect of any assistance or payment made by us in these circumstances. Details of any compulsory health requirements applicable to British citizens for your holiday are available from the websites listed below. It is your responsibility to ensure you are aware of all recommended vaccinations and health precautions, including COVID-19 protection, in good time before departure. Details are available from your GP surgery and from the National Travel Health Network and Centre www.nathnac.org. Information on health can be found at www.nhs.uk and www.fitfortravel.nhs.uk. Health requirements and recommendations may change and you must check the up to date position in good time before departure. The Foreign and Commonwealth Office publishes regularly updated travel information on its website www.gov.uk/foreign-travel-advice which you are recommended to consult before booking and in good time before departure.

7. If you wish to change your booking

If, after our confirmation invoice has been issued, you wish to change your travel arrangements in any way, we will endeavour to make these changes, but it may not always be possible. Any request for changes to be made must be from the lead name on the booking or your Travel Agent. You will be asked to pay an administration charge as set out below per person and any further cost we incur together with any costs or charges incurred or imposed by any of our suppliers in making this alteration. Examples include:

- Minor amendments to the tour booked OR Minor amendments made within 30 days of departure OR Transferring between tours or changing departure date – £50
- Transferring between tours or changing departure date within 75 days of departure is not permitted and cancellation fees will apply
- Reissue of airline tickets, where possible – £50 plus any non-refundable costs of the cancelled ticket and any additional costs of the new ticket

BOOKING CONDITIONS

You can transfer your booking to another person, who satisfies all the conditions that apply to your booking, by giving us notice in writing as soon as possible and no later than 7 days before departure. Both you and the new traveller are responsible for paying all costs we incur in making the transfer.

Once a booking is confirmed no changes are permitted otherwise than in accordance with these terms and conditions.

It is important to note that some arrangements such as certain types of air tickets cannot be changed after a booking has been made as they are sold as part of your fixed package. You will be advised of any such non refundable charges prior to confirming your booking. Any change will be treated as a cancellation in which case cancellation charges will apply. Note that only one change per booking is permitted. Any requests for changes to your booking must be emailed to operations@wendywutours.co.uk.

8. If you wish to cancel your booking

Because we start to incur costs in relation to your arrangements from the time we confirm your booking, if you cancel we have to make a charge and the nearer to your departure date you cancel, the higher the charge will be. If you wish to cancel a confirmed booking you must do so by writing to our head office. Cancellation takes effect from the day we receive your letter. Cancellation charges are shown in the table below and will be payable immediately on cancellation. Where the cancellation charge is shown as a percentage, this is calculated on the basis of the total cost payable by the person(s) cancelling excluding insurance premiums and amendment charges. Insurance premiums and amendment charges are not refundable in the event of cancellation:

75 or more days	Retention of deposit
74 – 42 days	30% including deposit
41 – 28 days	60% including deposit
27 – 15 days	90% including deposit
14 days or less	100% including deposit

Depending on the reason for cancellation, you may be able to reclaim these cancellation charges (less any applicable excess) under the terms of your insurance policy. Claims must be made directly to the insurance company concerned and we have no liability in these circumstances.

9. If we change or cancel your holiday

Occasionally, we have to make changes to and correct errors in brochure and other details both before and after bookings have been confirmed and cancel confirmed bookings. Whilst we always endeavour to avoid changes and cancellations, we must reserve the right to do so. The right is also reserved to any change in airline, aircraft types and vessels scheduled for any specific departure.

If we change your holiday

Even after we have confirmed your booking we may have to make alterations to confirmed arrangements. Most such alterations will be minor and of little effect on your overall arrangements and while we will do our best to notify you of any such minor change before your departure, we will have no other liability to you. Occasionally we may have to make a significant change to your confirmed arrangements. Significant changes include but are not limited to the following (which are illustrative):

- Change of UK departure airport. (A change from one London airport to another is not considered a major change. London airports are Heathrow, Gatwick, Stansted, Luton and London City)
- Change of your time of departure or return by more than 12 hours
- Change of resort
- Change of holiday accommodation to accommodation of a lower official rating.

If we have to make a significant change, we will notify you as quickly as possible and offer you the following options:

(a) (for significant changes) accepting the changed arrangements or (b) purchasing an alternative holiday from us, of a similar standard to that originally booked if available. We will offer you at least one alternative holiday of equivalent or higher standard for which you will not be asked to pay any more than the price of the original holiday. If the holiday is cheaper than the original one, we will refund the price difference. If you do not wish to accept the holiday we specifically offer you, you may choose any of our other available holidays. You must pay the applicable price of any such holiday. This will mean you paying more if it is more expensive or receiving a refund if it is cheaper or (c) cancelling or accepting the cancellation in which case you will receive a full refund of all monies you have paid to us.

In addition, if you choose (a) or (b) above, and the change is not due to 'unavoidable and extraordinary circumstances' (see below),

you will receive as compensation a credit towards the cost of your arrangements, or any alternative selected, of the amount shown in Scale A below. If you choose (c) we will pay you compensation of the amount shown in Scale B below. In all cases we will have no liability for any other or greater compensation, or for expenses or losses incurred as a result of any change.

Period before departure date notification given by us	Compensation per fare paying passenger (excluding children)
0 – 7 days	£50
8 – 14 days	£40
15 – 28 days	£30
29 – 42 days	£20
43 – 75 days	£10

If we cancel your holiday

If we have to cancel your booking we will not cancel less than 60 days before your departure date, except for unavoidable and extraordinary circumstances, or failure by you to pay the final balance, or because the minimum number required for the package to go ahead hasn't been reached. Unavoidable and extraordinary circumstances means a situation beyond our control, the consequences of which could not have been avoided even if all reasonable measures had been taken. The minimum number required will be provided to you with the holiday description, along with the time limit for us to tell you if the package has to be cancelled. If your holiday is cancelled you can either have a refund of all monies paid or accept an alternative holiday of comparable standard from us if we offer one (we will refund any price difference if the alternative is of a lower value).

No compensation will be payable and the above options for either a change or cancellation will not be available if we cancel as a result of your failure to comply with any requirement of these booking conditions entitling us to cancel (such as paying on time) or where a change is a minor one.

Please note, in the event of a cancellation, airline schedule change or change of departure airport, we are not liable to cover the cost of flights, trains or any form of transportation or any other expenses incurred by these changes.

10. Our liability to you

(1) We will take reasonable care to ensure that the holiday arrangements we have agreed to make, perform or provide as part of our contract with you are made, performed or provided with reasonable skill and care. This means that, subject to these booking conditions, we may accept responsibility if, for example, you suffer death or personal injury or your contracted holiday arrangements are not provided as promised or prove deficient as a result solely of the failure of ourselves, our employees, agents or suppliers to use reasonable skill and care in making, performing or providing, as applicable, your contracted holiday arrangements. Please note, it is your responsibility to show that reasonable skill and care has not been used and you have suffered loss as a result if you wish to make a claim against us. In addition, we will only be responsible for what our employees, agents and suppliers do or do not do if they were at the time acting within the course of their employment (for employees) or carrying out work we had asked them to do (for agents and suppliers).

(2) We will not be responsible for any injury, illness, death, loss (for example loss of enjoyment), damage, expense, cost or other sum or claim of any description whatsoever which results from any of the following:

- the act(s) and/or omission(s) of the person(s) affected or any member(s) of their party or
- the act(s) and/or omission(s) of a third party not connected with the provision of your holiday and which were unforeseeable or unavoidable or
- 'Unavoidable and Extraordinary Circumstances' as defined in clause 9 above.

(3) Please note, we cannot accept responsibility for any services which do not form part of our contract. This includes, for example, any additional services or facilities which your hotel or any other supplier agrees to provide for you where the services or facilities are not advertised by us and we have not agreed to arrange them as part of our contract including any excursion you purchase in resort. Please also see clause 11 "Excursions". In addition, regardless of any wording used by us on our website, in any advertising material or elsewhere, we only promise to use reasonable skill and care in performing our contractual obligation as set out above and we do not have any greater or different liability to you.

(4) The promises we make to you about the services we have agreed to provide or arrange as part of our contract - and the laws, regulations and relevant standards of the country in which your claim or complaint

occurred - will be used as the basis for deciding whether the services in question had been properly provided. If the particular services which gave rise to the claim or complaint complied with local laws and regulations applicable to those services at the time, the services will be treated as having been properly provided. This will be the case even if the services did not comply with the laws and regulations of the UK which would have applied had those services been provided in the UK. The exception to this is where the claim or complaint concerns the absence of a safety feature which might lead a reasonable holiday maker to refuse to take the holiday in question. Please note, however, our obligation is to exercise reasonable skill and care as referred to in clause 10 (1). We do not make any representation or commitment that all services will comply with applicable local laws and regulations and failure to comply does not automatically mean we have not exercised reasonable skill and care.

(5) As set out in these booking conditions, we limit the maximum amount we may have to pay you for any claims you may make against us. Where we are found liable for loss of and/or damage to any luggage or personal possessions (including money), the maximum amount we will have to pay you is £1,500 per person affected unless a different limitation applies to your claim under this clause or clause 10(6) below. You must ensure you have appropriate travel insurance to protect your personal belongings. For all other claims which do not involve death or personal injury, if we are found liable to you on any basis the maximum amount we will have to pay you is three times the price (excluding insurance premiums and amendment charges) paid by or on behalf of the person(s) affected in total unless a lower limitation applies to your claim under clause 10(6) below. This maximum amount will only be payable where everything has gone wrong and you have not received any benefit at all from your holiday.

(6) Where any claim or part of a claim (including those involving death or personal injury) concerns or is based on any travel arrangements (including the process of getting on and/ or off the transport concerned) provided by any air, sea, rail or road carrier to which any international convention or regulation applies, the maximum amount of compensation we will have to pay you will be limited. The most we will have to pay you for that claim or that part of a claim if we are found liable to you on any basis is the most the carrier concerned would have to pay under the international convention or regulation which applies to the travel arrangements in question (for example, the Warsaw Convention as amended or unamended and the Montreal Convention for international travel by air and/or for airlines with an operating licence granted by an EU country, the EC Regulation on Air Carrier Liability No 889/2002 for national and international travel by air, the Athens Convention for international travel by sea and COTIF, the Convention on International Travel by Rail). Where a carrier would not be obliged to make any payment to you under the applicable international convention or regulation in respect of a claim or part of a claim, we similarly are not obliged to make a payment to you for that claim or part of the claim. When making any payment, we are entitled to deduct any money which you have received or are entitled to receive from the carrier for the claim in question. Copies of the applicable international conventions and regulations are available from us on request.

(7) Please note, we cannot accept any liability for any damage, loss, expense or other sum(s) of any description (1) which on the basis of the information given to us by you concerning your booking prior to our accepting it, we could not have foreseen you would suffer or incur if we breached our contract with you or (2) which did not result from any breach of contract or other fault by ourselves or our employees or, where we are responsible for them, our suppliers. Additionally we cannot accept liability for any business losses including self employed loss of earnings.

11. Excursions

We may provide you with information (before departure and/or when you are on holiday) about activities and excursions which are available in the area you are visiting. We have no involvement in any such activities or excursions which are neither run, supervised nor controlled in any way by us. They are provided by local operators or other third parties who are entirely independent of us. They do not form any part of your contract with us even where we suggest particular operators/other third parties and/or assist you in booking such activities or excursions in any way. We cannot accept any liability on any basis in relation to such activities or excursions and the

acceptance of liability contained in clause 10(1) of our booking conditions will not apply to them. We do not however exclude liability for the negligence of ourselves or our employees resulting in your death or personal injury. We cannot guarantee accuracy at all times of information given in relation to such activities or excursions or about the area you are visiting generally or that any particular excursion or activity which does not form part of our contract will take place as these services are not under our control. If you feel that any of the activities or excursions referred to in our brochure, on our website and in our other advertising material which are not part of our contract are vital to the enjoyment of your holiday, write to us immediately and we will tell you the latest known situation. If we become aware of any material alterations to area information and/or such outside activities or excursions which can reasonably be expected to affect your decision to book a holiday with us, we will pass on this information at the time of booking.

12. Complaint procedure

If you have a problem during your holiday concerning any service provided as part of the arrangements we have confirmed, you must inform our National Escort or Local Guide (or, if none available, with our local agent or hotel manager) immediately to enable them to try to resolve the matter. Any notification must be put in writing and given to our representative / agent and the supplier as soon as possible. Our emergency number is manned 24 hours a day, seven days a week and is 01888 288 288. Until we know about a complaint or problem, we cannot begin to resolve it. If you remain dissatisfied, however, you must write to us within 28 days of your return to the UK giving your booking reference and full details of your complaint. Please address all correspondence to customer@wendywutours.co.uk. Only the lead name should write to us. If you fail to follow this simple complaints procedure, your right to claim any compensation you may otherwise have been entitled to may be affected or even lost as a result.

13. Arbitration

As ABTA members, we are obliged to maintain a high standard of service to you by ABTA's Code of Conduct. Disputes arising out of, or in connection with your booking which cannot be amicably settled may be referred to arbitration if you so wish under a special scheme arranged by ABTA Ltd and administered independently. The scheme provides for a simple and inexpensive method of arbitration and is approved by the Chartered Trading Standard's Institute. Further information on the Code of Conduct and ABTA's assistance in resolving disputes can be found at www.abta.com. You can also access the European Commission Online Dispute (ODR) Resolution platform at <http://ec.europa.eu/consumers/odr/>. This ODR platform is a means of notifying us of your complaint; it will not determine how your complaint should be resolved.

14. Conditions of Suppliers

Many of the services which make up your holiday are provided by independent suppliers. Those suppliers provide these services in accordance with their own terms and conditions. Some of these terms and conditions may limit or exclude the supplier's liability to you, usually in accordance with applicable international conventions (see clause 10(4) and 10(6)). Copies of the relevant parts of these terms and conditions and of the international conventions are available on request from ourselves or the supplier concerned.

15. Behaviour

When you book a Holiday with Wendy Wu Tours Limited you accept responsibility for the proper conduct for yourself and your party whilst on Holiday. If we or any other person in authority is of the reasonable opinion that you or any member of your party is behaving in such a way as to cause or be likely to cause danger or upset to any other person or damage to property, we will be entitled to terminate the holiday of the person(s) concerned. The person(s) concerned will be required to leave the accommodation or other service and we will have no further responsibility to them including any return travel arrangements. No refunds will be made and we will not pay any expenses or costs incurred as a result of the termination. You will be responsible for making full payment for any damage or loss caused by you or any member of your party during your time away. Payment must be paid directly at the time to the service supplier concerned. If the actual cost of the loss or damage exceeds the amount paid where estimated, you must pay the difference once known. If the actual cost is less than the amount paid, the difference will be refunded. You will also be responsible for meeting any claims subsequently made against us and all costs incurred by us (including our own and the other party's full legal costs) as a result of your actions.

16. Special Requests

If you have any special requests, including dietary requirements, you must inform us prior to booking. Although we will endeavour to pass any reasonable requests on to the relevant supplier, we regret we

cannot guarantee any request will be met. Failure to meet any special request will not be a breach of contract on our part. Confirmation that a special request has been noted or passed on to the supplier or the inclusion of the special request on your confirmation invoice or any other documentation is not confirmation that the request will be met. Unless and until specifically confirmed, all special requests are subject to availability. Unless you receive written confirmation from the supplier that a special request will be complied with, you must assume that it will not be. The responsibility for providing the special request lies solely with the supplier and not with Wendy Wu Tours. We regret we cannot accept any conditional bookings, i.e. any booking which is specified to be conditional on the fulfilment of a particular request. All such bookings will be treated as "standard" bookings subject to the above provisions on special requests.

17.Fitness, Medical Conditions & Disabilities

Please note that Asia is a vast area with varying terrain (including steps, steep hills and uneven walkways) which can be difficult to negotiate. An indicated 'physical rating' is outlined clearly in this brochure and in the tour specific Tour Dossiers. It is your sole responsibility to ensure that you are sufficiently fit and well to negotiate these areas, without any adverse effect on the overall group or tour operation. You should check that your proposed areas of travel are suitable dependant on your own health, including any medical condition and/or disability that you may have. If you or any member of your party has any medical condition or disability which may affect your holiday or has any special requirements as a result of any medical condition or disability (including any which affect the booking process), please tell us before you confirm your booking so that we can assist you in considering the suitability of the arrangements and/ or making the booking. Dietary allergy requests must be made at time of booking and will be passed on to the relevant supplier, but unfortunately we cannot guarantee these requests can be met and cannot be held responsible for any illness or death caused by food consumed as part of your tour package with us. In any event, you must give us full details in writing at the time of booking and whenever any change in the condition or disability occurs. You must also promptly advise us if any medical condition or disability which may affect your holiday develops after your booking has been confirmed. Should this condition not be met, Wendy Wu Tours reserves the right to terminate the holiday of the person(s) involved, as described in section 9.

18. Flights

In accordance with EU Directive (EC) No 2111/2005 Article 9, we are required to bring to your attention the existence of a "Community list" which contains details of air carriers who are subject to an operating ban within the EU. The Community list is available for inspection at http://ec.europa.eu/transport/air-ban/list_en.htm. In accordance with EU Regulations we are required to advise you of the actual carrier(s) (or, if the actual carrier(s) is not known, the likely carrier(s) that will operate your flight(s) at the time of booking. Where we are only able to inform you of the likely carrier(s) at the time of booking, we shall inform you of the identity of the actual carrier(s) as soon as we become aware of this. Any change to the operating carrier(s) after your booking has been confirmed will be notified to you as soon as possible. If the carrier with whom you have a confirmed reservation becomes subject to an operating ban as above as a result of which we/ the carrier are unable to offer you a suitable alternative the provisions of clause 9 "If we change or cancel your holiday" will apply. We are not always in a position at the time of booking to confirm the flight timings which will be used in connection with your flight. The flight timings shown in our brochure, on our website and/or detailed on your confirmation invoice are for guidance only and are subject to alteration and confirmation. Flight timings are outside our control. They are set by airlines and are subject to various factors including air traffic control restrictions, weather conditions, potential technical problems and the ability of passengers to check in on time. Specific instructions relating to departure and travel arrangements will be sent with your air or other travel tickets approximately 2 weeks before departure. You must accordingly check your tickets very carefully immediately on receipt to ensure you have the correct flight times. It is possible that flight times may be changed even after tickets have been despatched - we will contact you as soon as possible if this occurs. Any change in the identity of the carrier, flight timings, and/or aircraft type (if advised) will not entitle you to cancel or change to other arrangements without paying our normal charges except where specified in these conditions.

19. Delay and Denied Boarding Regulations

In the event of any flight delay or cancellation at your UK or overseas point of departure, the airline is responsible for providing such assistance as is legally required by the Denied Boarding Regulations (see below). The ferry, tunnel or rail operator is similarly responsible in relation to any delayed or cancelled sea crossing or international

BOOKING CONDITIONS

rail departure. Except where otherwise stated in our brochure or on our website, we cannot provide any assistance in such circumstances other than information and advice to the extent we are in a position to do so. Any airline concerned may however provide refreshments etc. We cannot accept liability for any delay which is due to any of the reasons set out in clause 10(2) of these Booking Conditions (which includes the behaviour of any passenger(s) on the flight who, for example, fails to check in or board on time). In addition, we will not be liable for any delay unless it has a significant effect on your holiday arrangements. If your flight is cancelled or delayed, your flight ticket is downgraded or boarding is denied by your airline, depending on the circumstances, the airline may be required to pay you compensation, and/ or refreshments under EC Regulation No 261/2004 - the Denied Boarding Regulations 2004. Where applicable, you must pursue the airline for the compensation or other payment due to you. All sums you receive or are entitled to receive from the airline concerned by virtue of these Regulations represent the full amount of your entitlement to compensation or any other payment arising from such cancellation, delay, downgrading or denied boarding. This includes any disappointment, distress, inconvenience or effect on any other arrangements. The fact a delay may entitle you to cancel your flight does not automatically entitle you to cancel any other arrangements even where those arrangements have been made in conjunction with your flight. We have no liability to make any payment to you in relation to the Denied Boarding Regulations or in respect of any flight cancellation or delay, downgrading of any flight ticket or denial of any boarding as the full amount of your entitlement to any compensation or other payment (as dealt with above) is covered by the airline's obligations under the Denied Boarding Regulations. If, for any reason, we make any payment to you or a third party which the airline is responsible for in accordance with the Denied Boarding Regulations, you must, when requested, assign to us the rights you have or had to claim the payment in question from the airline. If your airline does not comply with these rules you may complain to the Civil Aviation Authority on 0333 022 1500 or by completing the relevant online form at www.caa.co.uk.

20. Data privacy and protection

In order to process your booking and meet your requirements, we need to collect personal data from you and pass your personal details on to the relevant suppliers of your travel arrangements. Depending on what's required, the personal data we collect may include names and contact details, credit/debit card or other payment information and special requirements such as those relating to any disability or medical condition which may affect holiday arrangements and any dietary restrictions which may disclose your religious beliefs ("sensitive personal data"). The person who makes the booking is responsible for ensuring that other members of your party are aware of our booking conditions and this privacy policy and that they consent to your acting on their behalf in your dealings with us.

In making your booking, you consent to personal data being passed on to the relevant suppliers and other third parties. We take appropriate technical and organisational measures which are intended to prevent unauthorised or unlawful processing of personal data and accidental loss or destruction of, or damage to, personal data.
